

COVID-19

Hygiene Concept at Kiwavi Home

This Hygiene Concept lasts until 31. December 2020 and will be renewed in case that Corona is not over at that time.

Mainly:

- The team is aware and informed about all necessary interventions against corona. They assure to avoid unnecessary crowds and contact with people and follow all other safety- and hygiene- measures to protect themselves and the guests.
- Located at the enter-gate is a hand-wash station provided which is having a touch free tab.
- Door handles, tables and other desks get sterilized every night.

Toilets:

- Shared toilets get sterilized every morning, midday and night.
- Private toilets get sterilized daily once.
- On every toilet there is a liquid soap and a bottle of sanitizer, which is to use for free.
- If you do not have an own sanitizer to take with you when you leave the guesthouse, we have some to sell.

Kitchen:

- Tables and desks will be sanitized after breakfast and at night.
- Breakfast will be served at separated tables for each group of guests and the safety distance of 2m while breakfast we guarantee.

Rooms:

- Guest will not be mixed with strangers. Only those who book on purpose together can sleep in one room/ bed as wished.
- We air the rooms during the day to renew the air.

For any more questions you might have, please do not hesitate to contact us.

We wish to make your stay as comfortable as possible!
